Please join Project Ploughshares and the MSCU Centre for Peace Advancement for the launch of *Disarming Conflict: Why peace cannot be won on the battlefield* by Ernie Regehr.

Books will be available for purchase and signing. Refreshments will be served.

"Disarming Conflict made me want to stand up and cheer – finally, a book that confronts, articulately and impeccably, modern assumptions about the utility of war in resolving global disputes. Regehr’s book is a meticulously researched call to disarm and proves why he is Canada’s preeminent thinker on conflict issues, challenging readers and policy-makers to question the effectiveness of our rising militarism. I will be quoting liberally from Disarming Conflict for years to come."
